What is Screencast-o-Matic?

- Allows you to record your voice and what is on your computer screen
- www.screencastomatic.com
- FREE
- Easy to use
- NO username required!
- Maximum of 15 minute videos
- Save on:
 - Computer
 - YouTube
 - Upload to Screencast-o-Matic

How to Get Started:

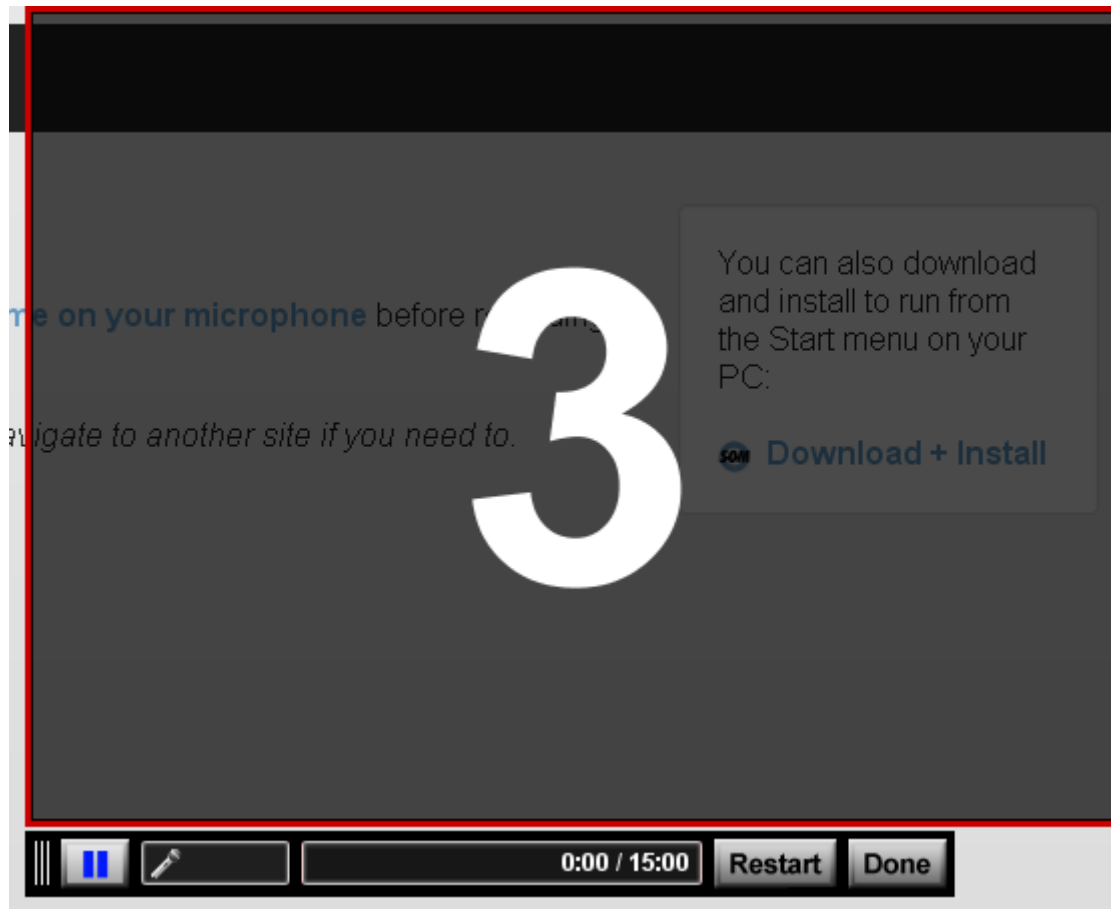

The screenshot shows the top navigation bar of the Screencastomatic website. On the left is the logo "SCREENCASTOMATIC" with a blue play button icon. Below it is the text "Welcome • Go Pro!". On the right, there is a link "Got an account? | login" and a prominent blue button labeled "Start Recording". A large orange arrow points from the top right towards this button. Below the navigation bar is a dark grey banner with the text "Make it Easy" on the left and "Help | Send Feedback" on the right. The main content area below the banner contains three items: a grey box with a play button icon and the text "One-click screen capture recording on Windows or Mac computers with no install for FREE!"; an orange-bordered box with the text "New Updates • Oct 2012"; and a small video player thumbnail for "ROB TEPLITZ FOR STATE SENATE".

www.screencastomatic.com

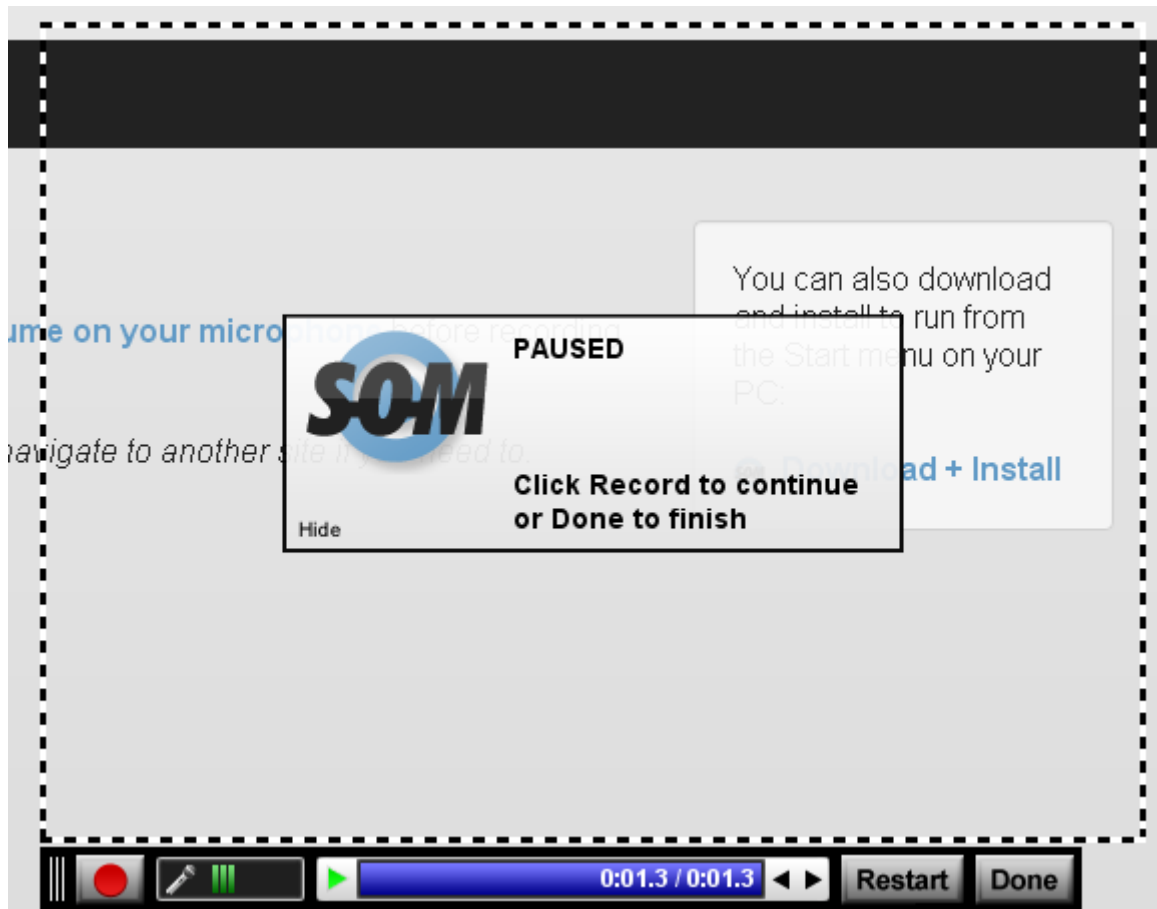

The image shows a recording software interface. A large dashed black rectangle is centered on the page, indicating a recording area. Inside this rectangle is a smaller white box with a black border. The box contains the 'SOM' logo on the left, which consists of the letters 'SOM' in a bold, black, sans-serif font with a blue circular highlight behind the 'O'. To the right of the logo, the text reads: 'Drag and resize this frame to surround recording area.' and 'Toggle record/pause with ALT-P'. In the bottom-left corner of this white box, the word 'Hide' is written in a small font. Below the dashed frame is a black toolbar with several icons: a red circle (record), a wrench (tools), a green level bar, a green bar chart, a blue double-headed arrow icon, the text '546 x 404' with a dropdown arrow, a camera icon with a dropdown arrow, and a black 'X' (close).

Recording

Editing

Publishing

The screenshot shows the 'Preview' window of the Screencast-O-Matic application. The window title is 'Screencast-O-Matic'. The interface includes the SOM logo and the word 'Preview' on the left, and a 'Back' button on the right. The main content area displays a video preview with a dark background and a white text box that reads: 'You can also download and install to run from the Start menu on your PC:'. Below this text is a blue button labeled 'Download + Install'. To the left of the text box, there is partially visible text: 'e on your microphone before recording' and 'avigate to another site if you need to.'. On the right side of the preview area, there is a question: 'What do you want to do with this recording?'. Below this question are three publishing options, each with a corresponding icon: 'Publish to Screencast-O-Matic' (SOM logo), 'Publish to YouTube' (YouTube logo), and 'Publish to Video File' (video file icon). At the bottom of the preview area, there is a 'Done with this recording' button. The bottom of the window features a playback control bar with a play button, a progress bar, and a time display showing '0:00.0 / 0:02'. The Windows taskbar at the very bottom shows the Start button, several application icons (including Facebook, Twitter, and various utility programs), and the system tray with the time '3:40 PM'.
